Dear Turning Point Family,

I truly believe that the local church is the hope of the world.

That belief motivates Turning Point Church to do everything we can to show the love of Jesus to those who are hurting and to those who have never heard. In fact, 2010 has been our most successful year in doing just that.

This is the second year we have developed an annual report of all that we have accomplished as a church in the areas of outreach and missions. It always amazes me to see how much we've been able to accomplish from year to year. God has been so faithful to us and you have been so generous. And for that, you deserve a heart-felt thank you.

Beginning this year, our reports will also show you a financial breakdown of where your tithes and offerings have gone, as well as the vision and opportunities that God has given us for 2011 and beyond. This brochure shows you a review of four areas – Life Change, Financials, Points of Passion - which is what we call our missions and outreach and what we are seeing for the following year.

Look through this brochure and be encouraged! Dream about what God has in store for us and as always, all I ask you to do is seek God. I know that He will show you what part you can play in making a difference in our world in 2011 and beyond!

With America and the entire world facing dire economic times and millions of hurting people needing immediate help, this is the Church's time to shine. I am so excited to take this journey with you.

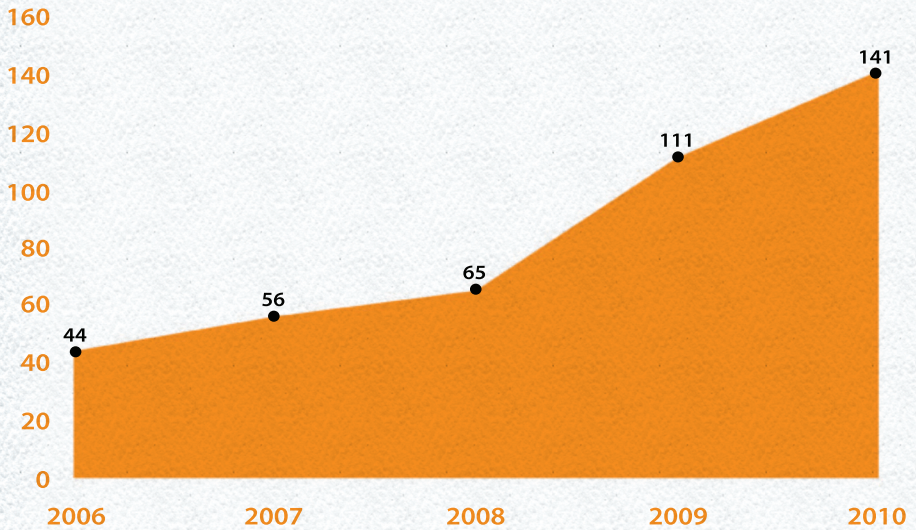

With you in the Cause that counts,

## Local Ministries

**A Friend's House** - A Friend's House operates as a home for children in the custody of the Department of Family and Children Services or the Juvenile Court System. Residents stay for an unspecified length of time while a best course of action is determined based on a child's assessment needs.

**Connecting Henry** - Is a government organization that helps Henry County families in need. We specifically help them with our back-to-school outreach and by sponsoring children for Christmas.

**Helping In His Name Food Pantry** - Is an organization that models the love and compassion of Jesus by providing food to the hungry and needy people of Henry County.

**Pregnancy Resource Center** - Is an organization who promotes abstinence and also brings help and hope to those in our community who are unprepared for pregnancy.

**Living Water For Girls** - Is an organization who rescues, rehabilitates and restores girls who are victims of sexual human trafficking.

**Patrick Henry High School** - This is a local high school we have partnered with. We mentor young people and help equip them for all that life has for them.

## International Ministries

Water For Life - Through Water for Life, we are helping dig wells in Africa, Asia and South America. In doing so, we are providing much needed clean drinking water and saving thousands of lives both physically and spiritually. Water for Life is led by James and Betty Robison.

Fishers of Men - Through Fishers of Men, we have helped plant churches and have seen thousands come to Jesus. Now, Pastors Jay and Linda Threadgill are helping to rebuild the nation of Haiti that was recently devastated by natural disasters.

Grace and Glory Ministries - In partnering with Grace and Glory, we are reaching thousands of people all across the world! This year, we not only supported them financially, but we went on a short term missions trip to Honduras. We are planning another trip in June 2011. Make your plans!

C3 Global - C3 global is a partnership of hundreds of churches all across America. Together we are helping the people of Haiti by providing food, water, clothes and rebuilding homes that were destroyed by recent natural disasters.

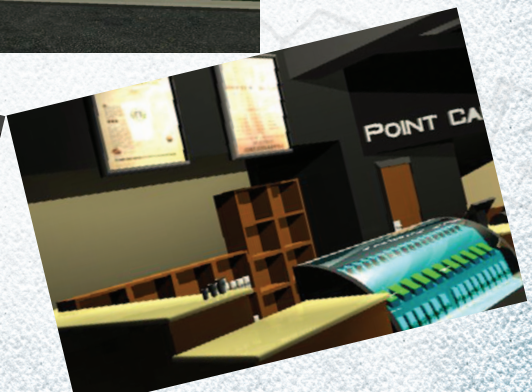

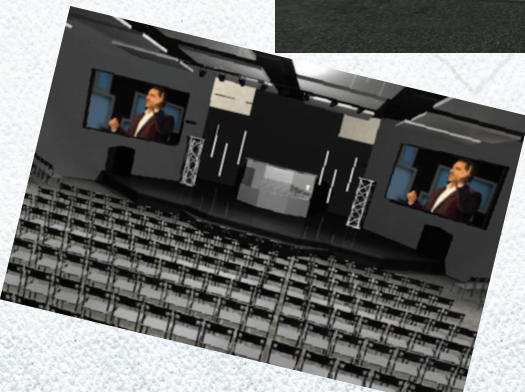

## Reach More

The past eight years, we've seen God do some amazing things in and through the people of Turning Point. Now we've been making preparations to build our very own campus on Old Jackson Road. It's here where we will be able to impact thousands of adults, students and children for God's Kingdom. We will be able to have a cafe that will be open to the community during the week and our students will have their very own worship space to have services on Sunday mornings and Wednesday nights.

We know that this can only happen because of faithful men and women giving toward the vision and purpose that God has called us to. As I've said before, it's not about money, and it's really not even about a building. It's about seeing the lost and hurting people in our community come to know the hope and love of Jesus Christ and be added to the body of Christ.

As we give sacrificially together, serve together on the Dream Team and shine the love of God in our community, we will see thousands of lives changed forever. The best is yet to come!
